Addendum to GISAA Bylaws

This addendum is included to address GISAA start-up issues and is provided to (a) enable the first election of GISAA officers, (b) set dues amounts, and (c) establish a schedule for GISAA meetings.

Once “organizing status” has been granted by the URISA International Board, GISAA bylaws may be approved by simple majority of the ad hoc Central Alabama Regional GIS Council during a regularly scheduled and publicized meeting.

The first election of GISAA officers may proceed only after GISAA bylaws have been approved. Furthermore, membership in GISAA must be established prior to voting in this first election. Due to the special circumstances of establishing a membership prior to the election of GISAA officers and the subsequent establishment of a GISAA financial account, initial membership in GISAA will be accomplished via submission of personal check (for Individual or Student membership categories) or corporate/institutional check (for Organization membership). Dues checks must be written to “GIS Association of Alabama” or “GISAA” to prepare for subsequent deposit in a GISAA financial account. In order to accommodate absentee ballots, dues checks and accompanying votes received prior to election deadline will be counted in the final tally.
